

Time is Running Out!

File 2019 FSA claims by March 31, 2020.

Don't Leave Money Behind!

The FSA plan is a use-it-or-lose-it account. If you participated in a Health Care or Dependent Care FSA in 2019 and have a remaining balance, you must file a claim by March 31, 2020 to avoid a forfeiture of funds (as required by IRS regulations). Claims must be for services that took place during your plan year. Up to \$500* of your 2019 Health Care FSA balance is allowed to rollover to 2020.

You can view eligible expenses and more information about your plan, including how to file a claim, at flores247.com.

**Eligibility to participate must be maintained.*

To view your balance, log in to flores247.com and select your 2019 account(s).

You can find your balance on-the-go using the free Flores Mobile app, available for download in the Apple or Google Play device stores, or call the Flores IVR system 24/7 at 888.586.3994.

For assistance, visit flores247.com or call 800.532.3327.
